

General Warranty Conditions of BINDER GmbH for the Sale and Delivery of the ULTRA.GUARD™ Ultralow Temperature Freezer UF V

The BINDER ULTRA.GUARD™ Ultralow Temperature Freezer UF V is sold subject exclusively to the validity of the following warranty conditions. Conflicting conditions of the purchaser cannot be accepted.

1. Conclusion of a contract

The customer's order for a BINDER ULTRA.GUARD™ Ultralow Temperature Freezer UF V is considered accepted only once it has been confirmed by us in writing.

2. Warranty

In deviation from our General Sales and Delivery Conditions (www.binder-world.com/agb), customers ordering a BINDER ULTRA.GUARD™ Ultralow Temperature Freezer UF V receive a 5-year warranty for the functionality of the unit, beginning on the date of delivery.

In order to ensure a long service life for the unit, it is recommended that the BINDER ULTRA.GUARD™ Ultralow Temperature Freezer UF V be serviced once a year by a service technician or service company certified for the BINDER Series UF V.

We also guarantee the functionality of the vacuum thermal insulation panels on the BINDER ULTRA.GUARD™ Ultralow Temperature Freezer UF V for 12 years from the date of delivery.

Excluded from the 5-year warranty according to these conditions are the USB data logger and the batteries in the alarm system, the warranty period of both of which is limited to 3 years from the date of delivery.

3. Validity of the BINDER General Sales and Delivery Conditions

In addition, these conditions are supplemented by our General Sales and Delivery Conditions, see www.binder-world.com/agb. In the event of a contradiction between our General Sales and Delivery Conditions and these General Warranty Conditions, these General Warranty Conditions for the Sale and Delivery of the BINDER ULTRA.GUARD™ Ultralow Temperature Freezer UF V shall take precedence.

Valid as of 1/1/2015
