APT-COM™ 4 | Multi Management Software for logging, controlling, and monitoring

BINDER's new Multi Management Software provides management, logging, programming, and documentation options, and much more. With features ranging from GLP-compliant logging to convenient program creation and management of up to 100 units, the APT-COM™ 4 can be used in all industries and makes complex work processes much easier.

BENEFITS

- Easy, intuitive operation
- Overview of units at a glance with the room plan function
- Choice of five menu languages: German, English, French, Italian, or Spanish
- Easy and quick programming options with graphical interface

Multi Management Software APT-COM™

IMPORTANT FEATURES

APT-COM™ 4 BASIC edition

- Administration of up to five connected units
- Log management (creating, deleting, archiving)
- Documentation of measured values
- Central overview of all units in both diagram and table form
- Graphical presentation of measured values
- Graphical/numerical program editor
- Manual export of measured values (CSV/PDF file)
- Multilingual user interface (German, English, French, Spanish, Italian)
- Optional program execution via APT-COM™
- Timer function

APT-COM™ 4 PROFESSIONAL edition

All the same functions as the BASIC edition and:

- Administration of up to 100 connected units at the same time
- Central overview of all units in a room plan
- Web server for displaying results
- User administration for multiple users and authorizations
- Automatic, time-managed export of measured values
- Reports for further processing/archiving
- Automatic/manual backup and recovery
- Import of data from APT-COM™ 3

APT-COM™ 4 GLP edition

All the same functions as the PROFESSIONAL edition and:

- Can be validated according to 21 CFR Part 11 including validation documents
- Documentation of measured values in a tamper-proof file in accordance with GLP/GMP guidelines on audit trails
- Electronic signatures
- Alarm Center monitoring software for GLP edition
- Alarm Kit for remote alarm via the Alarm Center

TECHNICAL DATA

Data			
Article Number	9053-0039	9053-0040	9053-0042
Designation	APT-COM™ 4 BASIC-Edition	APT-COM™ 4 PROFESSIONAL-Edition	APT-COM™ 4 GLP-Edition

ACCESSORIES

Designation	Description	APT-COM 4	*	Art.-No.
Alarm kit	for forwarding alarm notifications to existing alarm systems via the Multi Management Software	•	-	9052-0014
Interface converter	RS 422 cable set and RS 232 / RS 422 interface converter for connection to 10-way plug distributor or for connection to a unit			
	120 V, 60 Hz option model	•	-	8012-0557
	230 V, 50/60 Hz option model	•	-	8012-0556
	RS 422 cable set and RS 422 / Ethernet interface converter for connection to 10-way plug distributor or for connection to a unit			
	120 V, 60 Hz option model	•	-	8012-0405
	230 V, 50/60 Hz option model	•	-	8012-0380
Interface converter, USB / RS422	RS 422 cable set and RS 422 / USB interface converter for connection to 10-way plug distributor or for connection to a unit (USB-powered converter)	•	-	8012-0665
Qualification documents	IQ/OQ documents – supporting documents for validation performed by customers, consisting of: IQ/OQ checklists incl. calibration guide and comprehensive unit documentation; for APT-COM GLP software			
	Digital in PDF format	•	-	7057-0004
	Hard copy inside folder	•	-	7007-0004
RS 422 interface, accessories	modular plug distributor for 10 RS 422 interfaces	•	-	8012-0295
	RS 422 connection cable (15 m) between plug distributor and RS 422 interface	•	-	5023-0036
	RS 422 extension cable (50 m) between interface converter and unit or RS 232 / RS 422 plug distributor	•	-	5023-0117
RS 485 / RS 422 interface converter	RS 422 cable set and RS 485 / RS 422 interface converter for connection to 10-way plug distributor			
	115 V option model	•	-	8012-0599
	230 V option model	•	-	8012-0589

SERVICES

Designation	Description	*	Art.-No.
Installation of APT-COM™ software	Installation and configuration of APT-COM™ software on the PC provided by the customer. Prerequisites analogous to system requirements	05	DL04-0001
Installation of unit on APT-COM™ software	Connection of a unit to the Multi Management Software APT-COM™ and subsequent configuration, customer does not supply cables	05	DL04-0002
Instruction in APT-COM™ software	Operation and configuration options for software, programming and control of units via the Multi Management Software APT-COM™	05	DL04-0003
Validation services			
Execution of IQ/OQ for APT-COM™	Execution of IQ/OQ for APT-COM™ GLP edition in accordance with qualification folder for each additional connected unit	05	DL04-0013
	Execution of IQ/OQ for APT-COM™ GLP edition in accordance with qualification folder with a connected unit	05	DL04-0012

NOTES

05 Quoted prices do not include travel costs. Please refer to the chapter on BINDER Service for travel costs for your region. Quoted prices for services performed in Switzerland do not include a country-specific added fee (available on request).
